PERSONAL SUMMARY

Results-driven Account Manager with 8+ years of experience in Digital Display, driving business growth through strategic partnerships and innovative programmatic advertising solutions. Led a 30% revenue increase by implementing a DoubleClick Campaign Manager optimization strategy across a portfolio of 50+ clients. As a seasoned expert in Digital Advertising, I bring immediate value to forward-thinking organizations seeking to elevate their digital display capabilities and drive impactful business results.

EXPERIENCE

- Account Manager — Dentsu International

April 2022 – Present

Developed and executed a comprehensive account strategy for Dentsu International's top-tier clients, resulting in a 27% increase in annual revenue and a 15% boost in client retention rates within 6 months.
- Sr. Project Manager — Beyond Technologies

April 2013 – April 2022

Led cross-functional teams of 12 project managers and 25 technical leads to implement a new Agile framework, resulting in a 45% reduction in project timelines and a 25% increase in team productivity across 10 concurrent projects.

EDUCATION

- Master of Business Administration — Andhra University

Graduated with honors in Master of Business Administration from Andhra University, showcasing exceptional academic distinction and dedication to business acumen.
- B.Tech Electronics and Communication — Chaitanya Engineering College

June 2009 – June 2013

Project Lead for the college's IEEE Student Branch, where I led the organization of various technical events, workshops, and seminars, fostering a culture of innovation and collaboration among students and professionals.
